PLANNING COMMISSION REPORT

The Board of Supervisors and the Planning Commission will meet again on June 3rd to continue our review of the Zoning Ordinance.

UNFINISHED BUSINESS

Road Status Report –The crew re-graded several dirt and gravel roads. They also worked with Upper and Shamokin to help them with the pug mill project. They dug out sections of Comfort for the Amesite project. They put the amesite down and completed the project (Meckley's). They took out the recycling, mowed the township lawn, maintained township equipment and worked on the pad for the generator and propane tank.

Zoning Investigations – Ray Bixler – Received an NOV from Ed Wenger about having a storage container on his property without a permit. Mr. Bixler came in and applied for a permit.

Government Funds – Nothing more.

Tyler Karycki/Bill Yost – Property Issue – Nothing more.

Stormwater Management Ordinance -Atty. Greco notified the Board that things need to be

further investigated and this should be tabled.

Hazen Road Turn around - Mark Hassinger – Waiting for the survey from Brinkash and Associates.

Solar Farm – They have requested a hearing with the Zoning Hearing Board. It is scheduled for June 27th at 6:30 p.m.

Road Bonding – Working on the ordinance.

Generator and Propane Tank – Crew has been working on the pad, preparing it for cement.

Comfort Road Fire Training – 104 Comfort Road –Ed Wenger went to the site and saw that everything was taken care of as per the request of the Board of Supervisors. This can be taken off of the agenda.

Jarrett Road – Waiting for Brinkash to provide the data so we can discuss moving forward.

Clemens Road Bridge – The Board just received information from Wilson Engineering today. Each Board member received a copy to review. There was some discussion. It was decided that a copy should be sent to Attory Greco and our engineer Mike Brinkash. Skyler made a motion to moved forward with the work contingent upon the answer we receive from Atty. Greco and Mike Brinkash; looking for clarification why there would be a proposal fro construction inspection services submitted after the bidding phase. Julie seconded the motion. Motion passed without opposition.

Driveway Alteration Ordinance – Julie was asked if she had a chance to look for the amendment to the ordinance that Paula showed at the last meeting. Julie pulled the Ordinance book and after a review did not find that document. There was discussion that since the copy Paula had was not signed or dated, the Board may have tabled it or decided to not move forward with it. Julie would continue to investigate by checking the minutes for 2021. The Board will continue looking into this.

Jake Brakes/Augustaville – Complaint sent to PennDOT – Julie sent the residents concern to PennDOT. She received notification that they would be doing a traffic study and would get back to her and let her know their findings. She has not heard anything from them to date.

NEW BUSINESS

Review of and authorization to pay all bills- Slyler made a motion to pay all bills. Julie seconded the motion. Motion passed without opposition.

Other New Business –Nothing.

Residents Comments – Resident Paula Greco asked when the crew would be mowing. Colin explained that we borrow either Upper Augusta or Shamokin's mower and that at the moment Shamokin's mower is not working. Julie stated they contacted Bradco about renting one and they

no longer have one to rent, nor does Stephenson Equipment. She stated that there are none available so the crew must wait until they can borrow Upper Augusta's.

Motion to Adjourn- Julie made a motion to adjourn the meeting at 6:22 p.m. Skyler seconded the motion. Motion passed without opposition.
